

CUBA-GUYANA CINA NEWS REPORT

MAY 2021

Greetings in the name of our Lord and Saviour Jesus Christ. It is an exciting, great privilege to serve in the Kingdom of God. During this COVID period, I continue to go out into the streets with a team to share the Gospel door to door, reaching every boy and girl, man and woman, and their families. A 79-year-old great-grandfather, gave his life to God among many others during this ministry method. We give God praise, Amen! What a testimony...God is awesome and good, all the time.

Various communities have formed boys cricket clubs. The communities of Byderabo, Agatash, and Dagg Point have teams that meet on Sundays to practice and play cricket. We capitalize on the opportunity to share the word of God with them. They travel to the fields from *different religious backgrounds*. It's a blessing that they get to **hear God's word** and learn His guidance for living. *Join us in prayer for the children of these communities as we make disciples that make disciples.*

Central Bartica has also formed boys football clubs. On Monday and Friday afternoons we **disciple these boys by teaching them Christ's standards and way of life**—imparting the Gospel truth of Jesus Christ. Our goal is that they would *receive salvation and become Christian disciple-athletes*. Please join us in daily praying for them. They face temptations of drug and alcohol abuse, sexual immorality, theft, and etc. They need Christ's forgiveness and liberation from bondage to sin, especially in this Town of Bartica.

I was privileged to do appear on some radio programs, which increased my exposure to more people that need the Lord. This additional avenue helps us reach more with the Gospel in this area. Kindly continue to pray with us for that we get a regular spot on the radio for our CinA Ministry here.

As we follow the guidance of the Holy Spirit He reveals new methods of reaching boys and girls for Christ. In collaboration with Child Evangelism Fellowship we were trained 24 teachers from six churches in a Mail Box Club Explorers certificate course. AMEN!! This will result in more children being reached faster in 2021. We are so excited!!! Give God praise!!!! And, please, **PRAY! PRAY! PRAY!!!**

The newly commenced Mail Box Clubs have brought joy to many children. They enjoy the memory verse competition and love learning through treasurer hunt sessions.

As we continue doing God's will, please pray for us here in Bartica as we reach out to the children. **Pray** with us against every obstacle that hinders this ministry. God bless and keep you always.

As for **Cuba**, we continue to reach the people through preaching and door to door evangelism. This has proven to be very effective. We are blessed with the men of God there, who sacrifice their time to continue the work of God while we can't return to visit due to the COVID Pandemic. We have a Whatsapp group that meets and prays every Saturday night. We weekly encourage one another. Things are very difficult and different at this time. In the midst of a lack of food in Cuba, we continue hosting small cell groups that meet in various homes for Bible studies

and prayer. Many are growing in their relationship with God. Many are daily for Christ. Pray for these new converts to progress into disciples of Christ! And, please, **PRAY! PRAY! PRAY!**
